Physicians and Surgeons • Practice limited to diseases and surgery of the macula, retina and vitreous

Financial Policies and Payment

Retina and Vitreous Center billing department is available by phone from 8 a.m.–5 p.m., Monday through Friday by calling 541-488-3192.

We will gladly bill your primary and secondary insurance as a courtesy to you. It is your responsibility to provide current information at the time of service. Patients will be billed the full amount if claims are denied due to coverage issues.

We are here to assist you with any billing questions or problems you may have. Please help us by making sure that the reception staff has all of your updated insurance information.

- ***You will be required to make your co-pay and any outstanding balance at each visit***
- ***For those who have no insurance, you will be expected to pay your balance in full at each visit***
- ***Cash payment discounts are available***
- ***If you have not met your deductible for the year, payment will be expected at the time of your visit***
- ***If you have questions regarding payment please call our office prior to your appointment***

Billing statements are mailed monthly. Account balances 90 days past due are considered delinquent. However, we realize that temporary financial problems may affect timely payment of your account. If such problems do arise, please contact us promptly for assistance, otherwise, accounts over 90 days may be placed with our collection agency and your care with our practice may be terminated.

Financial Resources

Federal Poverty Guideline Sliding Fee Application

For those who may be experiencing financial hardship, sliding fees may be available to patients who have an annual combined household income that falls within the Federal Poverty Guidelines. Financial documentation is required.
